Friends of Trumps Green

Who are the Friends of Trumps Green?

All parents automatically become members of the Friends of Trumps Green (FOTG) and play a crucial part of enriching the school for your children.

The funds raised are used in school, to the benefit of all pupils. In the past, class and playground equipment, the swimming pool, educational visits, library books, computer equipment and Christmas entertainment have all been financed by the FOTG.

Being an active member of FOTG is very rewarding, we normally meet once a term and organise many social and fundraising events. We also organise many in school activities for the children.

This year we have helped to fund the new reading scheme at the school and also purchased a new maths programme. We also contributed towards the children's forest school activities and to the new construction area in the top playground.

Fundraising shopping websites

The FOTG is registered for two websites where we can earn commission as you do your normal shopping at many big retailers. They cost nothing for you to register. The companies then pay a percentage of your shopping directly to school. If we get lots of parents doing this regularly, the commission will soon add up!
