

Trumps Green Swimming Pool

The school has a lovely swimming pool, which opens from May until September every year. The school is really lucky to have this facility for the children, which enables them to have swimming lessons in the summer term and also offers memberships for families throughout the summer term and summer holidays.

The swimming pool is a fantastic facility to have and to keep. It couldn't keep going without help from the committee and all the volunteers who help open and close the pool every day and help with various tasks throughout the season. Do let us know if you would be able to help with any activities below, or any other skill that you feel may be of some benefit (no amount of help is too small!)

A HUGE thank you in advance from all the children and from the current committee.

If you would like to help and/or be part of the committee, simply return this slip to the school office or email your reply to office@trumps-green.surrey.sch.uk
