

Trumps Green Infant School

Dear Parents and Carers,

It has been wonderful all being back at school together over the last 3 weeks. The children have been enjoying all their learning and being reunited with all their friends. The weather has been lovely so we have been lucky to be spending lots of time outside learning too.

Thank you to all for respecting social distancing at all our gates and for wearing masks. It is so important to continue with this in order to keep us as safe as possible.

FOTG

Thank you so much to the FOTG for helping the children with their Mother's Day gifts this year by organising and providing all the beautiful flowery plants. We hope you had a special day.

We are looking forward to the FOTG sponsored Easter egg hunt on Monday.

SWIMMING

We will not be able to have the swimming pool open this year for swimming lessons or to families. We have essential repairs to complete and these will be completed during the summer holidays.

Thank you to those who took the time to complete our parent questionnaire. It is so important to gain your feedback and we listen carefully to any suggestions for improvement or change.

RED NOSE DAY

We raised over £350 on Red Nose Day. As always thank you so much for your generous support. The children had a lovely day in their Red Nose outfits.

COVID-19

We are being asked to continue with contact tracing over Easter, similar to the arrangements over Christmas.

Please inform us if your child receives a positive test where symptoms developed within 48 hours of being in school, that being 1.30pm on Saturday 3rd April. We will assist in identifying close contacts and advising self-isolation, as the individual may have been infectious whilst at school.

Where pupils, students or staff test positive for coronavirus (COVID-19) during the holidays, having developed symptoms more than 48 hours since being in an education setting, school are not required to take any action. Staff, students, parents and carers should follow contact tracing instructions provided by NHS Test and Trace.

Staff do not need to be available for contact tracing duties beyond the first 6 days of the Easter holidays, at which point all positive cases should be dealt with through NHS Test and Trace. This means that there will be no need for us to remain on-call after Wednesday 7th April.

We will check emails once a day for these purposes.

Where pupils need to self-isolate due to contact with a positive case during the holidays, we do not need to be informed about this until the first day of the Summer term.

SURREY'S FAMILY HELP HUB

We have been asked to send this message out to all families. "Have you ever wondered why your child is behaving a certain way? Is that behaviour typical? What could be causing it? Is something wrong? These are common worries for everyone looking after babies, toddlers, children and teenagers. Surrey's Family Help Hub; developed by Surrey County Council and partners, is a site with a difference. You can search for information you need based on your child's age and find advice, tips and tools from a variety of trusted sources all in one place.

This service has been live for just over a month and some design changes have already been made, based on feedback received so far. The team developing this are still looking for feedback to further develop the site in the coming months, so take a look and send your feedback let us know what you think. "

Wishing you all a peaceful relaxing Easter holiday. We look forward to seeing you all again on Monday 19th April.

Best wishes

Sarah Morris
