

Dear Parents & Carers

Trumps Green Infant School - School Milk Scheme

In conjunction with the Children's Food Trust and Cool Milk, at Trumps Green we provide a milk scheme that is available to all of our pupils. School milk is free for all under-fives and over-fives who are eligible for free school meals (claiming Pupil Premium). The school milk is subsidised for pupils aged five or older at around £15.00 per term.

Milk provides essential nutrients and is rehydrating and energy boosting. Each pupil that registers will receive a carton of semi-skimmed milk every day, which is delivered fresh and chilled. We would like to invite you to register your child, if you wish to participate in this scheme.

How to register

Milk is completely **free** for all children aged under five and is **subsidised** for children aged five or older.

Simply register at www.coolmilk.com or ask the school office for an application form.

My child is under five

- Just register for your child's free milk to start in September.
- Free milk will continue until the Friday before your child's fifth birthday. You will receive a payment request three weeks before this time- if you wish your child to continue to receive school milk simply make a payment.

You will receive a request letter from the school office three weeks before your child's fifth birthday. Once the school receives your request, your child will be registered on your behalf.
