

## HANDWRITING SCRIPT

This is the cursive handwriting script used to teach handwriting to the children.

Please encourage your children to hold their pencil effectively when they begin their writing. All letters start on the line at the grey dot and end with a hook. Capital letters are not joined.

Trumps Green Infant School is committed to safeguarding, child protection and promoting the welfare of children and young people. We expect all members of the school community including staff, parents, carers, volunteers and governors to demonstrably share this commitment.
