

# Trumps Green Infant School

Dear Parents and Carers,

Well we have made it to the end of this challenging year so well done to all the children, all families and staff.

## YEAR 2 GOODBYE

It is time to say farewell to our lovely Dragonflies and Butterflies. We know they will go on to achieve great things just as they have here with us at Trumps. They have been remarkable in their attitude, their learning, their resilience and being such enthusiastic lovely children always looking out for each other. We are sure their firm friendships with each other will continue as well as appreciating their capacity for new friendships next year.

The children have had a lovely send off with yesterday full of fun activities. We hope that you enjoy the end of year performance posted on You Tube.

## TEDDY BEARS PICNIC

Ladybirds and Bumblebees had a super Teddy Bears picnic last week. All was fine until one of the bears made it to neighbours garden who has a dog!!! We just managed to rescue the teddy in the nick of time thank goodness.

## LITTLE FARMERS

Sunflowers and Poppies have been growing potatoes and the crop finally harvested was very impressive. The children were amazed and reserving their own personal potatoes - it was very sweet.

**BREAK THE RULES DAY**

All the children had so much fun yesterday breaking the rules - they were so excited in all classrooms to tell me what rules they were breaking with very cheeky grins.

**NEW ACADEMIC YEAR**

We are hoping that we will be able to go back to "normal" in September but we will have to wait and see. Decisions and guidance from the Government as you are aware can be very last minute as can changes in approach. We will keep you informed towards the end of the summer holiday via parentmail to confirm arrangements regarding gates, school day times etc.

As a school we are no longer required to assist families regarding COVID reporting.

Thank you so much for all the lovely gifts and cards with words of thanks and support sent in for all of us. It is extremely kind and thoughtful and does mean a great deal to us.

We wish to say a special farewell to families who are leaving us having been part of our school for years with several children passing through and to those families who are relocating. Thank you for entrusting us with your precious children. We wish you all well.

We wish you all a lovely summer.

Stay safe and take care.

Best wishes

Sarah Morris
