

Trumps Green Infant School

Dear Parents and Carers,

OCTOBER

READING BOOKS

From after half term we will be collecting the children's reading books on a Monday and sending home new reading books on a Tuesday. This means that the children will only have one evening without books and have books over the weekend. We would be grateful if you could please initial and comment in the reading diary when you hear your child read at home.

PARENT INTERVIEWS

We hope that you all enjoyed your parent interviews having an opportunity to discuss your child progress, attainment and well-being. Thank you to those of you who struggled with technology for your patience. By this evening, we anticipate all parents will have had their opportunity to talk to the teachers.

HARVEST FOOD DONATIONS

Thank you so much for all the generous gifts donated to Runnymede Food Bank. Your donations were very much appreciated and will make a big difference to families in need.

WINTER CLOTHES

After half term we will need all the children to bring wellies to school. They can stay in school all week and if you wish over the weekends too, however you may wish them to come home to "de mud".

ATTENDANCE

We have had a lot of illness over the last 2 weeks and I wish to say thank you to all parents who have sensibly kept their children at home and sought our advice regarding other general illness and COVID, including PCR testing children with symptoms. We are hoping that with a ten day half term the children and you as families have an opportunity to get well with rest and relaxation.

Trumps Green Infant School

ATTENDANCE RELATED TO COVID-19

Attendance continues to be mandatory for all pupils of compulsory school age.

In line with current legislation, and guidance from PHE pupils who have symptoms of COVID-19, or had a positive lateral flow device (LFD) test, should self-isolate and get a confirmatory PCR test.

If a pupil tests negative and if they feel well, they can stop self-isolating and return to school. If a pupil tests positive, they should continue to self-isolate in line with public health guidance.

Pupils who are a close contact of someone who has tested positive for COVID-19 and do not show symptoms, do not need to self-isolate and should attend school.

We understand that parents or pupils may be anxious about attending school because of COVID-19 or feel unsure about sending children to school when a member of family tests positive. If you need to speak to us regarding your concerns, please do. However, this type of non-attendance may not be authorised as per government guidance.

If both parents test positive or the members are not doubly vaccinated and must self-isolate, we encourage you to make arrangements to ensure your child continues to attend school unless they develop symptoms or test positive themselves.

We wish you all a restful and relaxing half term and we look forward to seeing you all back in school on Monday 1st November 2021.

Best wishes,

Sarah Morris
