

Trumps Green Infant School

Dear Parents and Carers,

We have been having such a brilliant half term to finish the year.

TRIPS

All the children had a wonderful time on their various educational visits. The purpose of all the visits is to enhance the curriculum and link with the topics and learning which they all did suitably. This means that back in school, the children are able to use all their experience across lots of curriculum areas for instance in writing reports about their visits, producing art to celebrate what they saw. Additionally, it was very special to see that the children were so excited to be on an adventure, particularly going on a coach, having a special packed lunch and being with all the parents who so kindly came to help. There were many comments from the children - "this was the best day ever" was noted several times. Next year we plan to enhance our curriculum further with more trips and visitors in school throughout each term to provide wow starters for our children for their topics.

SWIMMING

The children have been making tremendous progress in their swimming skills and also in their confidence in the water. It is a joy to see them perfecting their stroke and making such rapid progress. Thank you again to all the parents who spent approximately 50 hours getting the poolside ready and safe for swimming to take place, as well as the staff who helped too.

REPORTS

You will be receiving your child's end of year school report on Monday 11th July. On Thursday 14th July at 2.30 you all have the opportunity to come and share your child's learning with them as you did at the end of the Spring Term. We know how much the children and all Parents and Carers loved this so we will be continuing this as a new tradition. The teachers will all be on hand if any of you have a question about your child's report. I have thoroughly enjoyed reading them all. It is such a celebration of your child's year in school and I imagine they will be popped in treasure boxes.

TRANSITION

All the children thoroughly enjoyed their transition mornings. It was so exciting welcoming our new Ladybirds and Bumblebees and seeing all the Parents and Carers again. The children settled quickly and at both sessions many were really sad to be going home, wanting to stay with us. The Year 2 children came back from St Ann's full of tales of their new classes and teachers. Our new Year 1 and 2's also had fun getting to know their new teaching staff too.

END OF YEAR EVENTS

We still have lots of events to go including the Summer Fair, Sports Day and of course our end of year assemblies. We are looking forward to seeing you all at these events.

STAFF ILLNESS

We are currently experiencing quite a bit of staff illness but we carry on with lots of smiles. Your children may be taught by "different" teachers and adults that they know. I wish to thank all the staff for such incredible flexibility, coming in on days they do not normally work on, teachers doubling up and also managing with less adults than we usually have. It is a credit to their commitment to our school and their total dedication to caring for the children and helping them with their learning and well-being.

Wishing you all a lovely weekend.

Best wishes

Sarah Morris
