

Trumps Green Infant School

Dear Parents and Carers,

Today we have all our children here which is what we have all been looking forward to.

RECEPTION

Ladybirds and Bumblebees children have had a super morning together as a whole class and have settled so well - I have just been to see them all from a distance and they are happy, chatty and enthusiastic about being at Trumps.

The children have been telling me how much they love playing outside, especially in the mud kitchen. One child when asked said they are happy when they are making new friends and they love getting a marble in the jar for super tidying up. And another told me how much they loved painting with bricks on Elmer.

As a reminder from Monday both classes are to line up to the right of the main school gate as you look towards the school where the pavement is wider - you have different start times and pick up times so hopefully it will work quite well.

YEAR 1 AND YEAR 2

I have spent a little time in Year 1 and 2. Our Year 1 children have told me that they love being back at school because they had really missed it, playing with friends, having fun and learning. And Year 2 have reported that it is amazing being back altogether in a whole class, they had missed all their friends and all the teachers.

The atmosphere around our school is one of energy and enthusiasm, active engaging learning and really happy children. It is challenging at the moment because you as parents and carers can only hear about it rather than see but I wanted to reassure you all that all is well.

PARKING

Thank you to all that are parking and driving sensibly and with regard to our community and our neighbours. We have staggered our start and end times to allow for less congestion but appreciate it is challenging. We have had neighbours reporting children playing around parked as in Cabrera Close whilst waiting. We would ask that children stay in your cars until your lining up time. It is a constant worry for every school that a child could be hurt and we wish to avoid this at all costs.

COLDER WEATHER

It is getting quite chilly in school with doors and windows open!!! We do have the heating on but do remember jumpers, cardigans and generally warmer clothes with name labels on.

Wishing you all a lovely weekend.

Best wishes
Sarah Morris
