

# Trumps Green Infant School

Dear Parents and Carers,

Let me start with a huge thank you.

This week we have been focusing on getting the swimming pool ready for swimming lessons after half term. There is always a bit of trepidation when the pool is emptied, hoping that it is in good order. You will all be pleased to hear that the pool is looking good and is being refilled. Wonderful parents came this week and worked so hard to make the pool area tidy and fit for the children. Thank you so much for your kindness and energy in doing this for us.

The children have all had assemblies focusing on Safeguarding and pool safety and the Reception children had a visit from Emma and Bradley our swimming teachers to say hello and ensure the children are all looking forward to their lessons.

I would also like to thank all the parents who come and help so kindly with all sorts of maintenance issues as well as all our staff and their families who join in to support our school.

MAY

## KEY STAGE 1 ASSESSMENTS

The Year 2 children have worked so hard during May on the Key Stage 1 assessments. We are so proud of them with how calm they have conducted themselves when the school days routine is different. We all celebrated with a well deserved kit kat.

## SOFTBALL

The children have enjoyed their Softball lessons - one Year 1 child told me she liked batting the best but has learnt to field and strike. We are looking forward to continuing to extend our Sports provision with alternative sports in September.

## CORNER EXOTICS VISIT

The children all thoroughly enjoyed the exciting day on Wednesday when Simon Airey from Corner Exotics came to visit with all his amazing creatures. We had the most wonderful experience seeing and sometimes handling spiders, giant frogs, scorpions and an enormous snake to name but a few. These are such memorable experiences for the children and staff, some conquering fears and some becoming more confident in themselves. Thank you to the FOTG for funding this special awe and wonder treat which the children will remember forever.

WAX

Next term is so busy. Swimming is such a feature of the half term and the children gain so much not just in their swimming skills and confidence. We also have school trips, a theatre visit, sports day and the Summer BBQ to look forward to.

After the end of each year groups races.....

To ensure the children's safety, as soon as the races have finished, the teachers will escort the children back to their classrooms. After this time, we ask all of our visitors to leave the premises, ready for the next year group to come out.

### Safeguarding

Making videos and taking photographs of Sports Day is permitted for personal use only. Images must not be displayed on social media. To ensure the safety of the children, please stay within the parent area at all times.

## ATTENDANCE LATENESS

May we please remind you that the classroom doors close at 9.05 am. Every moment of learning time is crucial and in addition children do like to be on time in the classroom coming in with their peers. If you arrive at school after that time, please report to the school office where you will be required to complete the 'late book'. The register closes at 9.30 am and after this time any lateness is recorded as unauthorised absence. All lateness and absence is monitored by the inclusion officer. Frequent unauthorised lateness will be discussed with parents and could provide grounds for prosecution and Penalty Notice.

## SUMMER BBQ

The FOTG committee are working so hard in preparation for the Summer BBQ. This is a key fundraiser for our school so if any parents have a little time to spare to help I know that would be so appreciated. All the money raised by yourselves through all the events and activities led by the committee have provided exceptional enrichment to the children this year as well as supplementing practical hands on resources. At the Summer BBQ we will have a photo board on display to celebrate all the amazing experiences and resources the children have because of the FOTG.

MAX

Wishing you all the most special half term. We look forward to seeing you all on Tuesday 6th June.

Best wishes

Sarah Morris
