

Trumps Green Infant School

SEPTEMBER

Dear Parents and Carers,

We have had the most special first week back. It has been lovely welcoming all the children and yourselves back to school.

Everyone has settled so quickly and enthusiastically into the classrooms rekindling friendships and making new ones.

The children have been busy with reminders of how we keep them all safe in school, who their trusted adults are, developing their own classroom charters and being introduced to the learning for this term.

I have visited all the classrooms many times and the atmosphere is calm, purposeful with happy excitable children and adults just as we aspire to.

So many children have been proud to find me and show me their learning, which is the best part of my day.

I will be sending a more detailed letter next week with more housekeeping items. Most importantly, we wish to reiterate that we have an open door policy and are extremely proud of working closely with our families. Please always phone, email or better still catch teachers, office staff or myself if you have any worry.

Wishing you all a lovely weekend.

Best wishes,
Sarah Morris
