

Trumps Green Infant School

Dear Parents and Carers,

What a whirlwind this term has been, we cannot believe it is already Easter.

Thank you so much for coming to see all your children's learning last week - the children look forward to this so much. The Reception children literally clutch their learning journey folders waiting for your arrival. We are sure you were all impressed with the progress the children are making - we have to remind ourselves all the time and get the children to look back at their learning from previous months to see such progress - they astonish themselves.

BOOK FAIR & WORLD BOOK DAY

Thank you to everyone for visiting the Scholastic book fair. We know how much the children love the opportunity to visit the mini bookshop and how grateful they are for the gifts you buy for them. As a result of your generosity, we have £260 to spend in school supplementing our libraries - both class and school.

As always World Book day was completely adorable with all the children and staff going to town on their costumes of choice. Thank you so much for supporting your children with this, as we know it is another thing to remember and do.

FOREST SCHOOL

The Year 1 and Reception children have had their terms visit to the Forest. I did warn you that they children would come home extra muddy and wet and they certainly did. They all had fun and were full of stories as they squelched back up the hill to school. Getting some of the wellies off on return was interesting as they were full of water and mud. The Forest enables children to make decisions and choices within measured risk which is such an important aspect of learning. They just love this experience.

COMIC RELIEF

The children loved dressing up - it was lovely seeing the children excitedly coming into school adorned with or in red. The children really understand the message of helping one another in school and, in each year groups age appropriate way, that giving can help those who need a hand in some way or another and that kindness really does make the world go round.

EASTER EGG HUNT

The Easter egg hunt is always led and organised by the FOTG - thank you so much to our surprise guest, the Easter bunny, who made time to visit us in her busy schedule. The children absolutely loved racing around collecting their own eggs and were very grateful for their Easter eggs. Staying in the Easter theme the Dragonflies parents and carers were treated to a rendition to "Hot cross buns" played on their recorders at pick up.

DIWALI

The Reception children had a special visit from Mrs Williams (Kishan's Mummy) to learn about Diwali, the Festival of Lights. The children learnt that Diwali is one of the most significant festivals in India and that it is a five-day celebration that includes good food, fireworks, coloured sand, and special clothes.

FUTURE SELVES WEEK

Firstly I know you will join me in saying thank you to all the teachers for arranging all the enrichment activities and timetabling them to maximise benefit for all the children. Thank you also to the FOTG for agreeing to fund many activities - we are so grateful to the whole community for raising money to enhance the children's experiences.

What a joyous week, welcoming so many of you into school to talk to the children about your jobs and careers. The whole idea of the week is to inspire children, plant seeds in their minds as to possibilities of exciting and meaningful futures for them. The children had the luxury of listening to a solicitor, marketing leader for disabled Olympians, a doctor, a sailor and an artist working in film and theatre to name a few. We just love giving children extra opportunities to expand their worlds.

EARTH SONG

It was wonderful to welcome Storme back. All the children enjoyed their workshops learning about the origins of the instruments and having a go at both playing the instruments and dancing to music and creating short pieces together as year group and classes.

SUBLIME SCIENCE

The children loved their workshops as you can see:

We are sure the children will enjoy explaining phenomena they witnessed.

VIRGINIA WATER AVERY HOME

The Year 1 children loved their trip to visit Virginia Water Avery home. The children were greeted with such smiles and pleasure by the elderly residents who thoroughly enjoyed hearing the children sing "Celebrate", "Together" and "Here comes the sun" by the Beatles which many of them joined in with. We look forward to taking Reception children in the Summer term. We think these trips are going to become one of our favourite things

DANCE AT WOKING

A group of Year 2 children have been working with a dance teacher Ellie in school over the last few weeks, this culminated in a wonderful performance at Woking Theatre on Tuesday evening. This was an amazing opportunity to perform to an audience beyond our school hall with children from lots of local schools. Thank you to Mrs Aughterson for arranging this, the Year 2 team were so proud to take the children and were so impressed by their confidence and wonderful dancing as well as the fact that the children were such ambassadors for our school. We plan to offer this experience every year to our Year 2 children ensuring equal opportunity to all.

ATTENDANCE

Just to remind parents/carers that if they take their children out of school without authority for 5 or more days (which do not need to be consecutive), they will be liable to receive a penalty notice. Currently the amount payable under a penalty notice is £60.00 per parent/carer per child if paid within 21 days. Thereafter the amount increases to £120.00 if paid between 21 and 28 days. If the penalty notice remains unpaid after 28 days, the Local Authority will consider a prosecution in the Magistrates Court. Please note that penalty notices are issued per parent/carer per child so a family of two parents and two children will receive 4 penalty notices.

GOVERNANCE

We have vacancies for Governors currently and would love to hear from you via

office@trumps-green.surrey.sch.uk

if you are interested in learning more about the role and what it entails or if you are already an experienced school Governor wishing to come and join our school.

THANK YOU

I know you will all join me in wishing all our wonderful staff a huge thank you for all they do for your children and families. The dedication and passion for excellence at our school in all forms from learning to well being is just awesome and inspiring - we have just the best team working together with kindness and care.

Thank you to you all for your continued support of our school - this means so much to us all.

Wishing you all a very happy and peaceful Easter.

Best wishes

Sarah Morris
