Rock Painting

We are re-launching the summer rock painting competition to add to the display in the area outside the office. Current year 2s are welcome to enter, as well as our new reception children.

It's free to enter, and there is no theme to the painting – the children can choose what they would like, but there are prizes for most colourful, original, and best overall! Please bring painted rocks back into school (labelled with name & class, or in a labelled box), before the end of the first full week back in September. See poster below.

Photos taken during the year!

Pre-loved UNIFORM

To order uniform please email:

fotguniformshop@gmail.com

State what you want to order, the size and the number of each item and the team will check stock for you once we are back in September. The shop is closed during the summer break.

We have to say “goodbye” to our wonderful Treasurer Ian – his daughter is in year 2 so is leaving the school. Ian has managed all the finances, licences and made sure we’ve kept to the rules! We really appreciate everything he’s done, and he’ll certainly be missed. However, we are really excited to be welcoming Jawad to the team who will take over from September. Welcome Jawad! We also have some other new committee members joining in September!

Please reach out to the committee if you would like to join or support with anything: friendsoftrumpsgreen@gmail.com

We wish everyone a healthy, happy summer! And best of luck to the year 2s in their new schools! We can’t wait to see the rock painting entries in September!

Top tips

Acrylic paints work well, but you can use things you have at home.....nail polish, paints, felt tips, crayon, stickers, glitter.

No need to buy anything special – we will treat/seal entries so that everyone's rock can go on display outside.

If you can't find a rock in a garden or the beach, St Ann's Hill in Chertsey has many perfect rocks for you to paint.
