

# Trumps Green Infant School

Dear Parents and Carers,

Year 2 have been immersed in the awe and wonder of the hatching chicks, learning about life cycles. It is such a lovely experience for the children and staff. The children are able to focus and observe, being very surprised at quite how long it takes from the first crack in the egg to the chick emerging.

Next year we are going to have ducklings as well and hopefully create little ponds for them to take their first swim - we cannot wait!!

# MARCH

## RED NOSE DAY

We love a dress up day at school - the children love to see the staff as much as they do each other. We ensure that the children always understand the purpose of any event, in this case helping those in need in some way.

Trumps Green Infant School is committed to safeguarding, child protection and promoting the welfare of children and young people. We expect all members of the school community including staff, parents, carers, volunteers and governors to demonstrably share this commitment.

# Trumps Green Infant School

## WORLD BOOK DAY

Our Book Plate competition had all the children involved. It was so hard to choose the winning entries as every single plate showed imagination and creativity. The School Council selected the final winners and the children were celebrated in Achievement assembly.

Thank you to you all for supporting the Scholastic Book Fair. The more books families buy the more money we get as a school to spend on replacing and updating our book stocks whether it be for the library, the classroom or for assemblies with particular themes. With your interest buying books which is so significant, we have been given £400 to spend .

## YEAR 2

Year 2 have been exploring the work of Andy Goldsworthy and as such have been creating sculptures and pieces of Art from natural materials. Here is Max using charcoals in his observational drawing of some plants.

We had fun walking to the Forest, being sculptors in teams making magnificent creations. We even made natural glue to join pieces together.

## RECEPTION

Reception have been learning across all areas of the curriculum with the text Goldilocks and the Three Bears. They loved making teddy bear toast with bananas and blueberries.

# Trumps Green Infant School

## YEAR 1

Year 1 have been loving their Maths learning and have been using playdough to represent place value, tens and ones. They have been learning how to identify and represent numbers using a variety of objects and representations - this helps embed learning.

## MOTHER'S DAY

Thank you to the FOTG for organising the beautiful Mother's Day crafts. So many of you fed back as to how special your flower pot was; hopefully you can all use them for plants or a different purpose for years to come as a special gift from your children.

## AVERY HOME

The Year 1 children delighted the residents at our local elderly residents' home. They sang a Collection of Easter songs, including "Spring Chicken" and "Celebrate" so beautifully. It really makes a difference. We even had the treat of singing Tom Happy Birthday, there were quite a few tears - it was very special.

## FUTURE SELVES WEEK

It is wonderful to have family members come into school to inspire all the children talking and sharing their work/employment stories. Thank you so much to all of you who have helped bring the working world to life for them. We had no idea how heavy an actual real Oscar is!!!! We had a geologist, podcaster, HR, solar panel expert, photographer, Kings Guard/anti tank, Fire personnel, film director, a budding singer/musician and MD of a pharmaceutical company.

## FOTG DISCO

The disco was a great success, thank you to everyone who organised and helped. The children had a whale of a time, dancing and playing together across the year groups; it was a very special whole school event. All day on Thursday, throughout the school, the children were excited, sharing with us their favourite songs, singers and bands. We have been surprised by their eclectic taste and it has been lovely hearing what music you all listen to at home.

## EASTER EGG HUNT

The FOTG committee and volunteers have been especially busy this whole term and we have ended Spring with our traditional Easter Egg Hunt, which the children love. Thank you to the Easter bunny who kindly came to see us!!

## UNIFORM

We are looking forward to the Summer term and the children wearing their Summer uniforms. Just a little reminder that we do expect all children to be wearing the correct uniform including the correct PE kit on PE days. We still need the children to have a coat in school always and as the weather warms sun hats, and to be wearing sun cream. Also a reminder that the children are not allowed to wear earrings on PE days according to our policy.

# Trumps Green Infant School

Do refer to the calendar, which has lots of important dates for you. There are a couple of dates to be confirmed which we will do as quickly as possible.

I am sure you will join me in thanking all the staff for a wonderful Spring Term. Many thanks for all your Easter wishes, the Eid gifts and for your continued support of our lovely school.

Wishing you all a very Happy Easter

We look forward to seeing you all back at school on Wednesday 23rd April..

Best wishes

Sarah Morris
