

Trumps Green Infant School

Dear Parents and Carers,

We have come to the end of the year and my goodness it has gone so quickly.

We have loved celebrating each year groups adventures with you in each assembly.

RECEPTION

The Reception graduation captured the most special year bursting with learning, friendship and fun. We have watched all the Ladybirds and Bumblebees children grow in confidence, live and breathe by our Proud Promises and Values, being excited each day for what is in store for them. They have achieved so much across all areas of the EYFS curriculum and have benefitted from all our enriching learning, activities and events. It has been the icing on the cake that the children had the experience of our new outside learning area provided by you and developed by you.

YEAR 1

The Year 1 assembly was a magnificent celebration of the children's year under the careful guidance and expertise of their teaching team in Poppies and Sunflowers. All the children have loved their topics and shown great enthusiasm and curiosity in their learning, which is what we aim for. The children were so proud to showcase their learning and accomplishments and it was lovely to see all of you and your extended families smiling away so proudly as they performed.

YEAR 2

Wow, what a polished performance from the Year 2's last Thursday. They loved sharing their memories of a marvellous year with you. It really has been the best year for Butterflies and Dragonflies. The children have been such ambassadors for our school, we are so proud of each and every one of them for their efforts, their enthusiasm, their kindness towards each other and their embodiment of our Values. We will all miss them very much as well as all the families we are saying farewell to. We also have huge faith that they will all continue to shine as they move on.

PIANO PERFORMANCE

We also had a musical concert last Thursday with all the children who have piano lessons, with FunClub Piano, playing for their parents. It is so special to be able to give the children this opportunity to learn an instrument and give them possibilities of well being and mindfulness through immersing themselves in music.

SWIMMING LESSONS

This half term our swimming lessons have been so successful and the children have absolutely loved learning within school with their peers - there is nothing quite like this opportunity.

SHARING LEARNING

It was lovely to welcome you all to share your children's learning on Friday afternoon - our final event of the year. The children love seeing you in the classrooms and talking to you about what they have learnt and experienced. It is wonderful having the school buzzing and full of families.

WELCOME MEETINGS

The transition morning ran smoothly and the children are all excited for September. We look forward to seeing you at our Welcome meetings in September where we share lots of information about the coming year and what it entails for your children.

The dates are as follows:

Year1/2 Thursday 11th September 2.45 in the hall

Reception Thursday 18th September 2.45 in the hall

SUMMER FAIR

What can we say - The Summer Fair was a gorgeous event and felt like a fitting celebration to end the year. Despite the rain, we managed to quickly move to plan B. The FOTG and all the faithful volunteers have worked so hard this whole year to ensure the continued enrichment of your children's lives here with us at school through magnificent fundraising. Thank you sincerely to the committee, all previous committees and all volunteers.

A huge sincere thank you to everyone who helped set up, run stalls, participate in preparation wrapping prizes and clear up at the end. It was super mix of inside and outside giving all the children and families a variety of fun activities. We love welcoming our incoming Ladybirds and Bumblebees and saying hello again to our faithful friends from past years.

THANK YOU

Thank you to you all and your extended families and friends for your support with your children and for us with donations, fundraising, maintenance work and coming to our rescue on so many occasions. The quote is that "it takes a village to raise a child" - it is also true for our wonderful school that "it takes a village to make a school".

It remains to say a heartfelt thank you from all of us at Trumps Green for all your special cards, emails and gifts. We are so grateful for your thoughtfulness and generosity. Thank you also for the tissue stocks, tea bags, biscuits, soap etc. that has been delivered and dropped off. Everything, I promise, is used sparingly and with great thanks. , I think all you kind donations will keep us going for quite some time.

GOODBYE

This year we are saying Goodbye to Miss Adams who has been with us for 3 years, teaching the children brilliantly and being a special part of our staff team. I know you will join us in wishing Kate all the best on her new adventures and with her new beautiful cottage in the countryside.

It just remains to say have the most fun Summer holidays.

Best wishes from

Sarah Morris and all the staff at Trumps Green
