Dear Parents and Carers,

"Feeling Good Week" was great fun.

## CARTOON MOVIE MAKING WORKSHOP

Mrs Bond organised for "Three Discovery" to visit us again with Cartoon Movie making workshops. These Workshops are "hands-on and super engaging allowing the children's imaginations to run free and a little bit wild!" The children were shown how to set the scene, plan the story and bring characters to life with movement and voices. They all had a wonderful time learning new skills saying "This was amazing".

## ART

In Year 1 and 2 the children were immersed in Art creating cherry blossom trees, water colour hearts decorated with flower doodles and stained-glass hearts. I am sure you agree the creations are so beautiful and light up the classrooms. Our whole school artist this term is Petrit Hailaj. The children had to focus on what animal they would draw themselves as and why.

## EARTH SONG

Storme and his team returned to us - they are a firm favourite here at Trumps Green. Thank you so much to the FOTG for funding this treat and experience for the children. This year it was a Chinese themed workshop for all with children not only playing various instruments but dressing up in Chinese costumes and even transforming the classes into huge Chinese dancing dragons. It was truly spectacular. All the children were engaged and enthralled - the experience reaching them in all sorts of ways including well-being.

## FOTG DISCO

We ended the half term with our FOTG Disco. The children were so excited all day, made even more so by the fact it was also Crazy Hair day. Well done all on creating such magnificent looks. Thank you to the FOTG committee and all volunteers for making the event so special for the children, with the DJ, parents leading the dancing, the opportunity for a lovey photo and glittery tattoos. Also, there were cakes, special Polish breads and drinks for those parents who wished to stay and socialise and watch their children.

## INTERNET SAFETY DAY

In amongst revisiting online Safety, which we do frequently as part of our Computing curriculum, the children learnt a little bit about AI, with a focus on the question "Is everything you see real?" The children all created their own online safety plans which they brought home to show you.

## COOKING

Year 1 and 2 all made scones which, whilst they were being baked, made everyone around the oven very hungry. I think for some you will have had a hearty snack that evening and others a more delicate nibble, as the scones came in all shapes and sizes. The children absolutely love any cooking experience - evidenced by the enjoyment of our Cooking after school club.

## ONLINE SAFETY

Children's Commissioner has published a new guide recently to support children's safety in the digital world online. It is a useful resource to help navigate digital challenges and we hope you find it useful.

What I wish my parents or carers knew: A guide for parents on managing children's digital lives.

## ATTENDANCE

All requests for 'Leave of absence for exceptional circumstances' during term time should be submitted to the Headteacher on a 'Leave of absence' form at least 2 weeks before the proposed absence. These forms are available from the school office. Headteacher may not grant any leave of absence during term time unless there are exceptional circumstances. To make an informed decision as to whether to authorise such request we require you provide as much detail as possible. If we do not have sufficient information, the absence may be unauthorised. Schools are required to report unauthorised or unexplained absence of 5 days or more (within 3 consecutive months) to the local authority and this may result in a penalty notice being issued.

## WORLD BOOK DAY

We are looking forward to World Book Day next week on Thursday. It is always such a treat seeing the children waiting at the gates at drop off in their costumes. Do remember we love creative and home made, recycling and sharing so please do not worry about buying an outfit especially. The staff are busy getting their creations ready. And do remember we have the Scholastic Book Fair next week if you wish/need to purchase any books. This will be open every day just before the end of the day.

## CAKE SALE

The FOTG are running a cake sale tomorrow at pick up. This sale will for the first time be cashless.

Wishing you all a lovely weekend.
