

Tuesday 8th September 2026

Dear Parents and Carers,

Welcome to new academic year. We are all so excited to be back at school with all the children and you as our families.

Our brand new children in Ladybirds and Bumblebees are settling brilliantly and enjoying making friends and familiarising themselves with our routines. This week the children will be visiting all areas of the school and being introduced to all members of our staff. This then ensures that they feel safe and secure with all trusted adults.

Our new Poppies, Dragonflies and Butterflies classes had a super three days last week focusing on Safeguarding, Behaviour and routines as well as settling with new friends and teaching teams. This week the children have started learning with the topic "Our colourful World". Whilst the children are in mixed age classes, we teach Maths and also Phonics in Year 1 and Year 2 groups. The children have got used to transitioning between the three classrooms very quickly and do so calmly and sensibly.

We are looking forward to our Welcome meetings this Thursday and next Thursday where you are all invited. These meetings are an opportunity to find out more about the year ahead, the classroom routines and learning expectations which we know you find very useful.

Year 1 / 2 Welcome meeting is at 2.45pm in the school hall on Thursday 10th September

Reception Welcome meeting is at 2.45pm in Ladybirds classroom on Thursday 17th September

Please come to the top gate at 2.40pm when we will let you all in. The meetings will finish by pick up time so you don't need to worry about being late for pick up.

Friends of Trumps Green

We are looking forward to exciting, memorable events and activities throughout the year which enable us to connect with our whole community in special ways. These events do also raise funds for our school and our children's learning and enrichment which have a positive impact on the children.

Currently we have vacancies for the FOTG committee as last July we "lost" some committee members as their children moved to Year 3. As in all walks of life it takes many hands to make light work and we are keen to recruit more volunteers to help. We do have a vacancy for a Co-Chair of the committee to work with Azita Broughton and other vacancies too. Please do contact the office if you are interested and you have a little time to spare.

There will be lots of information being sent through Study bugs and email. Please do remember that we are proud of our "Open door" approach which enables and welcomes you to talk to us about any concerns. You may catch us at the gates or classroom doors if appropriate for shorter conversations, as our focus is getting the children in and out of school safely. You may also ring the office at anytime within office hours to speak to us or arrange a meeting. If you are unable to talk to us personally then you may also email on office@trumps-green.surrey.sch.co.uk

We always get back to you very promptly. For your information Mrs Hazell, our Deputy Headteacher and Senco, teaches on a Monday and I teach on a Wednesday.

Some dates (these will come out on the school calendar very shortly)

Autumn 2026

Friday 18th September 2.30pm Whole School Picnic on the field - weather permitting
