May 2018

Dear Parent or Carer

Changes to data protection law

You may be aware that from 25th May 2018, the rules around data protection are changing. The 'General Data Protection Regulation' (GDPR) will change how we can use your personal data and keep it safe. It will also strengthen your rights over your own data.

The point of this is to make sure sensitive or private information about yourselves and your children stays safe. Whilst it is similar to the current Data Protection Act in many ways, there are a few differences, so we need to make a few changes at the school in order to ensure we remain compliant.

One of these changes is that we have updated our privacy notice which will be on our website by 24th May 2018.

As part of our work to comply with the GDPR, we are also seeking consent for using photographs of your child on our website, internal displays and in "Connections" the church magazine. We would appreciate it if you could complete the attached form and return it to the school office.

We will continue to communicate with you regarding how the GDPR affects you, how our school is preparing and who you should contact if you have any questions regarding data protection.

Yours faithfully

Miss S L Morris
Headteacher

Trumps Green Infant School is committed to safeguarding, child protection and promoting the welfare of children and young people. We expect all members of the school community including staff, parents, carers, volunteers and governors to demonstrably share this commitment.
